

Not Your Typical CPA Firm

*Delivering proven, best-value solutions
for all your business and financial needs.*

MFA - Moody, Famiglietti & Andronico

At MFA - Moody, Famiglietti & Andronico, LLP, we pride ourselves on delivering *much more than most people expect* from a CPA and consulting firm. Our clients rely on our exceptional audit and tax expertise, but they stay with us year after year because of our value as a proactive business advisor. When you choose MFA, *your business goals are first and foremost*—we are always here to listen and to support you with deep expertise, critical guidance

and unique insights. Since 1981, MFA has helped clients of all sizes *act with confidence* when facing their most critical business challenges. As the economic landscape continues to change, we continue to provide organizations like yours with customized advice regarding potential risks and opportunities on the horizon. We believe in quick execution, diligent follow-up and the importance of *providing sound, strategic advice when you need it most.*

Value in Collaboration

Our commitment to client service guides everything we do at The MFA Companies. Combined with our sophisticated financial, technical and industry expertise, it makes us ***an attractive alternative to the Big 4*** and national CPA firms. Through our affiliate companies, our core offerings are enhanced by a ***unique suite of specialized practices***, including private wealth management, retirement plan advisory, compliance and internal controls, IT consulting, valuations, fraud and forensic accounting and professional staffing.

If you are looking for ***insight beyond traditional***, nuts and bolts accounting, take a close look at The MFA Companies. We understand the economic model of business and are well-positioned to help you address key business issues that can shape your financial performance throughout the entire business lifecycle. Whether it be maximizing your financial benefit in major transactions or guiding your approach to federal, state and international taxes, all of us here at ***The MFA Companies are committed to helping you prepare for future success.***

Our Service Philosophy

Because our clients face increasingly complex business issues, they ***expect and deserve superior service.*** Clients of The MFA Companies benefit from direct and immediate access to our most experienced and knowledgeable people. Our partners and managers are deeply involved in client work and ***always available.*** Our service-oriented approach, combined with our very low attrition rate, allows us to develop a deep understanding of each client business through years of direct involvement.

Perhaps most importantly, ***we share your entrepreneurial spirit.*** Our people possess a genuine, can-do attitude that consistently yields new opportunities, new ideas and new options for clients.

MFA Cornerstone Consulting

At MFA Cornerstone Consulting, we provide proven, pragmatic business advice that enables our clients to better understand and strengthen their organizations. Through our Performance and Controls, IT Advisory, Valuation, and Litigation Support Practices, we offer insightful expertise and help clients optimize performance, control risk, and appropriately value their enterprise.

MFA Capital Advisors

As a business consulting and transactional services firm, MFA Capital Advisors offers sound, strategic advice throughout the entire business lifecycle. Our services encompass a range of corporate finance matters including mergers and acquisitions, reorganizations, stock repurchases, recapitalizations, bank financing, strategic alternatives and general corporate advisory on related business and equity matters.

MFA Asset Management

At MFA Asset Management, we hold ourselves to a higher standard in our mission to deliver unparalleled service to the discerning investor who is seeking more from their financial partner. As a Registered Investment Advisor, we deliver innovative and sustainable solutions for wealth accumulation, preservation and management to help our clients attain financial security for themselves, their families and their employees.

MFA Talent Management

At MFA Talent Management, we understand procuring best-in-class talent is one of the most challenging and costly issues for organizations today. That is why we offer a unique managed services model allowing us to successfully deliver fluid, cost-effective solutions that are in continual alignment with our clients' ever-changing business models and often unpredictable talent needs.

MFA Global

MFA Global is Montreal's premier choice for business valuation and litigation support services. We specialize in independent valuation assessments for financial reporting, litigation support, transactions, tax-related matters and general business. We are the ideal cross-border partner for both Canadian and U.S. companies doing business and/or entertaining acquisitions or divestitures on either side of the border.

.....
Whatever challenges you face, keep in mind that we're here, on your team and at your disposal whenever you need us through all stages of the business lifecycle. At The MFA Companies, we are ready to answer your burning questions and explore potential issues or opportunities as they arise.
